Meeting Summary

The January 9, 2008 meeting of the security committee was called to order at 7:00pm.

1. How do we operate gates and arms in a power outage? Large gates have a release clutch. Ace Security and gate company will demonstrate on Monday, 1/21/2008 at 8:00 AM (MLK's birthday)
2. Budget: No FOBs or electronic entry system. Bob Siegel's proposal to coordinate all security (gates, video system etc) will be brought up at next HOA meeting.
3. Ace Security will start 10-20 hours of patrol next week. They will concentrate on stop sign violations.
4. Stop sign line painting and repainting will be resolved by using better quality paint.
5. Speed Bumps – wait until next HOA meeting before proceeding with any additional speed bumps.
6. Incident reports were distributed to those present.
7. Security needs to be strict. Residents need to approve their visitors. No exceptions.
8. Post Orders are ready per Tom. They will be distributed to the guards
9. Meeting adjourned at 8:00 PM.
